

SCC Clinches Record Three Dream World Awards For 2003

The Singapore Cruise Centre clinched a record of three awards for last year. They are:

- * **Best Turnaround Port Operations**
- * **Most Efficient Terminal Operator**
- * **Most Efficient Port Services**

The Dream World Cruise Destination awards are a result of the joint efforts of all the supporting Singapore government agencies and cruise-related organisations. These include the Maritime & Port Authority (MPA), Singapore Tourism Board, Immigration & Checkpoints Authority, Singapore Police Force, cruise line port agents, cruise travel agents, cruise ship suppliers, marine and shipyard services and the baggage and transport companies.

The awards are presented by UK-based Dream World Cruise Destinations, which is published by Contract Communications, a subsidiary of Euromoney Institutional Investor PLC. The awards are based on an annual survey and the polls are cast by senior cruise management executives. For the first time this year, DWCD has extended the survey to include Masters of cruise ships.
