**“TRAVEL BINTAN 2010” WITH EXCLUSIVE DEALS IS HERE!**

The Travel Fair will be held on Level 2 of HarbourFront Terminal at Singapore Cruise Centre from 11am to 8pm on 20 May and 11am to 9pm on 21 May. The Travel Fair aims to target the office crowd and shoppers within the vicinity to check out the ready-to-purchase holiday packages at their convenience and at unbeatable prices offered exclusively during this period.

This event is timely to entice families who plan to have a short getaway during the mid-year school holidays. For the busy executives and working mothers, it is a perfect escapade from the hustle and bustle of the city to indulge in the services that these resorts would offer including spa treatment and sea sports.

Being a joint marketing effort between the partners and SCC, both parties are optimistic that the event will be a success as many Singaporeans would be able to find the short trip nearby an affordable holiday.

Shoppers will also be entitled to a lucky draw with any purchase of the holiday package during the fair. Vouchers and early bird gifts will also be given out by the respective organizers.
